

Who Was Johnny Appleseed

Who Was Johnny Appleseed?

The perfect biography to \"bite into\" at the start of a new school year! Children are sure to be fascinated by the eccentric and legendary Johnny Appleseed, a man who is best known for bringing apple trees to the midwest. Over John Chapman's lifetime, he saw the country grow and start to spread westward. Traveling alone—in bare feet and sporting a pot on his head!—Johnny left his own special mark planting orchards that helped nourish new communities. His journeys and adventures are illustrated in a hundred black-and-white illustrations.

Johnny Appleseed

Shows how Johnny Appleseed grew from a young boy who loved the outdoors into the legendary man who spread apple trees all across the United States.

Johnny Appleseed

John Chapman—better known as Johnny Appleseed—had wilderness adventures that became larger-than-life legends. Pioneering west from Massachusetts after the American Revolution, John cleared land and planted orchards for the settlers who followed, leaving apple trees and tall tales in his wake. In this glorious picture book retelling, Steven Kellogg brings one of America's favorite heroes—and the stories that surrounded him—to life.

Johnny Appleseed and the American Orchard

A fresh look at American icon Johnny “Appleseed” Chapman and the story of the apple. Johnny Appleseed and the American Orchard illuminates the meaning of Johnny “Appleseed” Chapman's life and the environmental and cultural significance of the plant he propagated. Creating a startling new portrait of the eccentric apple tree planter, William Kerrigan carefully dissects the oral tradition of the Appleseed myth and draws upon material from archives and local historical societies across New England and the Midwest. The character of Johnny Appleseed stands apart from other frontier heroes like Davy Crockett and Daniel Boone, who employed violence against Native Americans and nature to remake the West. His apple trees, nonetheless, were a central part of the agro-ecological revolution at the heart of that transformation. Yet men like Chapman, who planted trees from seed rather than grafting, ultimately came under assault from agricultural reformers who promoted commercial fruit stock and were determined to extend national markets into the West. Over the course of his life John Chapman was transformed from a colporteur of a new ecological world to a curious relic of a pre-market one. Weaving together the stories of the Old World apple in America and the life and myth of John Chapman, Johnny Appleseed and the American Orchard casts new light on both.

Johnny Appleseed

Johnny Appleseed was a legend even in his own time—stories abounded about the kindhearted woodsman who planted thousands of apple seeds from Pennsylvania to Indiana. The real Johnny Appleseed was born John Chapman in a small village in Massachusetts. When he was a young man, he set off for the western frontier and along the way collected bags of apple seeds from cider mills. As John Chapman's apple orchards grew in number, so did the tales of Johnny Appleseed. In this wise and witty story, Will Moses relates the life of a

great American folk hero who helped open and tame the wild frontier.

Johnny Appleseed

John Chapman loved all forms of nature, and he worked throughout his lifetime to improve it by planting apple trees. Known as the folk hero Johnny Appleseed, John helped to build America--not with a hammer and nails, but with a bag of seeds and a handful of dirt.

The Story of Johnny Appleseed

Retells the story of John Chapman whose devotion to planting apple trees made him a legendary figure in American history.

Johnny Appleseed

John Chapman, aka Johnny Appleseed, made himself the stuff of legend by spreading the seeds of apple trees from Pennsylvania to Indiana. Along with that, he offered the seeds of nonviolence and vegetarianism, good relationships with Native Americans, and peace among the settlers. He was one of the New World's earliest followers of the Swedish theologian Emanuel Swedenborg. The story of John Chapman operates as a counter-narrative to the glorification of violence, conquest, and prevailing notions of how the West was Won. It differentiates between the history and the half-myths of Johnny Appleseed's life and work: His apples, for instance, were prized for many reasons, but none more so than for the making of hard cider. He was also a real estate speculator of sorts, purchasing potentially fertile but unproven acres and then planting saplings before flipping the land. Yet, he had less interest in financial gain?and yes, this is an accurate part of the mythology?than in spreading visions of peace and love. Johnny Appleseed brings this quintessentially American story to life in comics form.

John Chapman

Relates how John Chapman's distribution of apple seeds and trees across America made him a legend.

Johnny Appleseed

A poem describing Johnny Appleseed's appearance and actions.

Johnny Appleseed

Rhymed text and illustrations relate the life of John Chapman, whose distribution of apple seeds and trees across the Midwest made him a legend and left a legacy still enjoyed today.

Johnny Appleseed

Who's that walking along the Ohio? It's Johnny Appleseed! He walks across the land, planting trees wherever he goes. So, everyone, clap your hands for Johnny Appleseed!

The Core of Johnny Appleseed

John Chapman, better known as Johnny Appleseed, has become an American icon. Recent biographies have portrayed him as everything from a schizophrenic wanderer to a shameless hedonist. Who was the real man behind the legends? Ray Silverman uncovers a portrait of a thoughtful, deeply spiritual man whose joy in life inspired him to share his bounty with as many others as he could.

Johnny Appleseed: The Grand Old Man of the Forest

John Chapman, introduced apple trees to large part of the US Midwest and some parts of Canada. Known as Johnny Appleseed, he was an eccentric and religious man who was kind, generous, and loved animals. This book is an introduction to the life and generosity of Johnny Appleseed whose unselfishness inspired songs, books, and city parks. This jovial volume contains original artwork, historical context of the story, recounts the folktale from diverse cultures, and defines words unique to the story.

Johnny Appleseed

A first-person narrative of the life of the legendary figure who traveled across the American frontier planting apple trees and carrying the Christian faith to pioneer families.

Seed by Seed

His real name was John Chapman. He grew apples. But wait. So what? Why should we remember him and read about him and think about him and talk about him today, more than two hundred years after he was born? Why should we call him a hero? Esme Raji Codell and Lynne Rae Perkins show us, in eloquent words and exhilarating pictures, why Johnny Appleseed matters now, perhaps more than ever, in our loud and wired and fast-paced world.

I Can Read about Johnny Appleseed

An introduction to the life of the man who traveled west planting apple seeds to make the country a better place to live, as told from his perspective.

Jonny Appleseed

A tour-de-force debut novel about a Two-Spirit Indigiqueer young man and proud NDN glitter princess who must reckon with his past when he returns home to his reservation.

Johnny Appleseed

42 poems including nonsense rhymes, historical poems and lyrics.

Johnny Appleseed

A retelling of the tall tale about Johnny Appleseed.

Johnny Appleseed

The man popularly credited with planting apple trees throughout the Midwest, John \"Appleseed\" Chapman epitomizes the American folk hero and pioneer: a man of humble origins who headed west to seek his destiny. The essays in this collection bring to life the real Johnny Appleseed (1774-1845). A courageous, God-fearing, peaceful, and spartan figure, Chapman was welcomed by settlers and Native Americans alike. He was an unusual businessman -- one who believed that his \"wealth\" was sown in the trees he planted rather than in banks. But most of all, Johnny Appleseed was a lover of nature whose respect for all living things was born of his faith. An itinerant \"missionary,\" he provided settlers with \"news fresh from heaven\" -- pages from the works of eighteenth-century theologian Emanuel Swedenborg. Editor William Ellery Jones has updated historical essays that explore how Chapman's legend grew both during and after his life.

Johnny Appleseed: My Story

Johnny Appleseed was an important historical figure, well known for planting apple orchards across the new frontier. But he was also a master storyteller! In his own folksy voice, Johnny Appleseed tells his story to a couple of entranced children in this fictionalized Step 2 title. Readers learn how he started planting apple trees—and about some of the myths and true stories of his life.

American Nurseryman

This is a lovely version of an eccentric bit of American history. The text describes a man with a different outlook on life—a man who believed that other creatures have just as much right to be on the earth as humans. Johnny Appleseed lived his life true to his philosophy; he carried news between the settled East and the newly settled West and planted groves of apple trees in Pennsylvania, Ohio, and Indiana. Every other page presents a full-page illustration closely related to the text, and the paragraphs on the facing pages are decorated with more beautiful artwork. Johnny Appleseed became a legend and left a legacy that is still remembered and enjoyed. The author says some people thought he was crazy, but this book emphasizes the good he did.

The True Tale of Johnny Appleseed

A collection of children's books on the subject of apples and fall.

Johnny Appleseed Goes A'planting

Tells the classic tale of Johnny Appleseed, the adventuresome pioneer who traveled across America sharing and planting apple seeds.

Johnny Appleseed

Unscheinbare Selbstverständlichkeiten neigen dazu, bei genauerem Hinsehen ein ganzes Universum faszinierender Details und ausgefallener Besonderheiten zu offenbaren. Man muss nur das richtige Auge dafür haben. Das ist bei William Mullan absolut der Fall. Durch seine Begegnung mit dem wechselhaften Erscheinungsbild eines Egremont-Russet-Apfels kam er auf den Geschmack. Seitdem erforscht er die gewaltige Bandbreite an Apfelsorten und fängt ihren jeweils eigenen Charme in liebevollen Porträts voll stilistischer Eleganz ein. Es ist gerade das seltsam Anmutende und bislang Unbekannte, das diese Aufnahmen zu faszinierenden Studien der vermeintlich alltäglichen Frucht macht. Mullan vertraut sich ganz ihrer eigenwilligen Ästhetik an und lädt in diesem attraktiven Geschenkbuch dazu ein, auf visuelle Entdeckungstour in die Welt des Apfels zu gehen.

Odd Apples

In the vein of Neal Stephenson and Jeff VanderMeer, an epic speculative novel from Young Lions Fiction Award-finalist Matt Bell, a breakout book that explores climate change, manifest destiny, humanity's unchecked exploitation of natural resources, and the small but powerful magic contained within every single apple. In eighteenth-century Ohio, two brothers travel into the wooded frontier, planting apple orchards from which they plan to profit in the years to come. As they remake the wilderness in their own image, planning for a future of settlement and civilization, the long-held bonds and secrets between the two will be tested, fractured and broken--and possibly healed. Fifty years from now, in the second half of the twenty-first century, climate change has ravaged the Earth. Having invested early in genetic engineering and food science, one company now owns all the world's resources. But a growing resistance is working to redistribute both land and power--and in a pivotal moment for the future of humanity, one of the company's original founders will return to headquarters, intending to destroy what he helped build. A thousand years in the

future, North America is covered by a massive sheet of ice. One lonely sentient being inhabits a tech station on top of the glacier--and in a daring and seemingly impossible quest, sets out to follow a homing beacon across the continent in the hopes of discovering the last remnant of civilization. Hugely ambitious in scope and theme, *Appleseed* is the breakout novel from a writer \"as self-assured as he is audacious\" (NPR) who \"may well have invented the pulse-pounding novel of ideas\" (Jess Walter). Part speculative epic, part tech thriller, part reinvented fairy tale, *Appleseed* is an unforgettable meditation on climate change; corporate, civic, and familial responsibility; manifest destiny; and the myths and legends that sustain us all.

Appleseed

John Chapman, known as Johnny Appleseed, traveled west in the late 1700s--planting apple orchards and spreading good will.

The Apple-Seed Man/Arbor Day Celebrates Our Love of Trees

The story of Johnny Appleseed who planted apple seeds all over the wilderness.

Johnny Appleseed

‘Children and adults of various ages, races, and physical abilities tour a public aquarium to look at many of the world’s marine creatures. The language is almost lyrical...[and] the story is alive with color and action.’—SLJ. ‘A versatile author at her best.... In the large, cheerful illustrations, action-filled spreads are varied with portrait vignettes, and underwater scenes with the visitors’ enthusiastic responses.’—K. Outstanding Science Trade Books for Children 1994 (NSTA/CBC) 1993 \"Pick of the Lists\" (ABA) 1996 Garden State (NJ) Children's Nonfiction Award

My Visit to the Aquarium

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the \"public domain in the United States of America, and possibly other nations. More Celtic Fairy Tales

Texts and pictures introduce a biography of John Chapman, also known as Johnny Appleseed, who is famed for his distribution of apple seeds and apple trees across America.

Johnny Appleseed

Welcome to the Zoo... How would you like to travel from a tropical rain forest to the African plains, and down into a deep canyon all in one day? Then get ready for a wild trip to the zoo and up close look at all kinds of animals! See snow leopards lurking on a ledge, zebras and ostriches running across the open plains, and a tiger splashing in a stream. Find out everything--from what elephants roll in after their baths to which bird might laugh at your jokes. Come take a visit to an amazing zoo! Imagine traveling from a lush tropical rain forest, to a deep and mysterious canyon, to the wide-open African plains—all in one day! In this tour of a modern-day zoo, visitors get to see how animals really live. They’ll learn everything from what elephants like to roll around in after their baths to what’s being done to preserve wildlife. Written and illustrated by the

inimitable Alikì, this successor to the highly popular titles *My Visit to the Dinosaurs* and *My Visit to the Aquarium* is one of the best ways ever for a young child to visit the zoo. 'Alikì's accessible text and lush illustrations bring the animal world to life.' —School Library Journal 'A fine picture book.' —Kirkus Reviews

Johnny Appleseed

Trieste Publishing has a massive catalogue of classic book titles. Our aim is to provide readers with the highest quality reproductions of fiction and non-fiction literature that has stood the test of time. The many thousands of books in our collection have been sourced from libraries and private collections around the world. The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original. Our readers see the books the same way that their first readers did decades or a hundred or more years ago. Books from that period are often spoiled by imperfections that did not exist in the original. Imperfections could be in the form of blurred text, photographs, or missing pages. It is highly unlikely that this would occur with one of our books. Our extensive quality control ensures that the readers of Trieste Publishing's books will be delighted with their purchase. Our staff has thoroughly reviewed every page of all the books in the collection, repairing, or if necessary, rejecting titles that are not of the highest quality. This process ensures that the reader of one of Trieste Publishing's titles receives a volume that faithfully reproduces the original, and to the maximum degree possible, gives them the experience of owning the original work. We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality, but also providing value to every one of our readers. Generally, Trieste books are purchased singly - on demand, however they may also be purchased in bulk. Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates.

My Visit to the Zoo

A biography of John Chapman whose distribution of appleseeds and trees across the Midwest made him a legend and left us a legacy we can still enjoy today.

European Folk and Fairy Tales

The perfect biography to \"bite into\" at the start of a new school year!
